

EVERY CHILD MATTERS!

Give every child an opportunity to dream and create.

Presenting our first project - Project Tinker Kit. Here, we are bringing Tinker Kits to the children from less-privileged backgrounds. Join us on this journey to equip these children with materials to encourage expression and imagination through art & craft!

Working closely with Preschools and Partners, we are giving a Tinker Kit each to 100 children from less privileged backgrounds.

This will be a 3-month project which comprise of 3 phases: (1) Presenting Tinker Kit (2) Additional Follow-up kits (3) Home Visits to each child. Through our passionate volunteers, workshops will be conducted to guide the children on how to use their imagination to play through craft. A Pop-up Exhibition will showcase all the children's works.

HOW YOU CAN HELP

We are targeting to crowd fund \$5,000 with support from you. The financial boost will enable us to put Tinker Kits into the hands of these identified children.

Please log on to www.preschoolmarket.com to show your support or email us @ ideas@preschoolmarket.com on how you wish to help.

WHAT WILL YOU GET IN RETURN?
